The Battle Flag

Jehovah Nissi - The Lord is my Banner

Jehovah — The Existing One or Lord. The chief meaning of Jehovah is derived from the Hebrew word “havah” meaning “to be” or “to exist.” It also suggests “to become” or specifically “to become known” — this denotes a God who reveals Himself unceasingly.

Nes (from which Nissi is derived)— a banner; a pole with an insignia attached; something lifted up to be seen far off; a standard, a signal.

You will not need to fight in this battle. Stand firm, hold your position, and see the salvation of the Lord on your behalf, O Judah and Jerusalem. Do not be afraid and do not be dismayed. Tomorrow go out against them, and the Lord will be with you.
